## Year 7 Higher Tier Topics Overview - Summer Term

Summer 1 - Fractions, Constructions and Angles

Unit	Торіс	MathsWatch Video	
Addition and Subtraction of Fractions	Add and subtract improper fractions and mixed numbers	<u>N41</u>	
	Use fractions in algebraic contexts	<u>A12</u>	
	Adding/subtracting decimals and fractions	<u>N32</u>	
Constructing and Measuring	Labelling lines and angles		
	Identify parallel and perpendicular lines	<u>G1</u>	
	Measure and draw angles	<u>G10b</u>	<u>G10c</u>
	Recognise types of triangle and quadrilateral	<u>G14</u>	<u>G16</u>
	Construct triangles using SSS, SAS and ASA	<u>47</u>	<u>147</u>
	Identify polygons	<u>G11</u>	
	Interpret and draw pie charts	<u>59</u>	
Geometric Reasoning	Angles around a point and on a straight line	<u>G13</u>	
	Vertically opposite angles		
	Angles in a triangle	<u>G17</u>	

2 - Angles,	Number	and Sets
	2 - Angles,	2 - Angles, Number

Unit	Торіс	MathsWatch Video					
Geometric Reasoning	Angles in a quadrilateral						
	Solve angle problems involving triangles and quadrilaterals	<u>G17</u>					
	Angles in polygons	<u>G19</u>					
	Angles in parallel lines	<u>G18</u>					
Developing Number Sense	Mental strategies for four operations for integers	<u>N3a</u>	<u>N4a</u>				
	Mental strategies for four operations for decimals						
	Mental strategies for four operations for fractions						
	Estimation	<u>N43a</u>	<u>N43b</u>				
	Using number facts to derive others						
END OF YEAR ASSESSMENT							
ACTIVITIES WEEK							
Sets	Venn diagrams	<u>P6</u>					
	Set notation - union	<u>127b</u>					
	Set notation - intersection	<u>127b</u>					
	Set notation - compliment	<u>127b</u>					
Venn Diagrams and Probability	Vocabulary of probability	<u>P1</u>					
	Sample spaces	<u>59</u>					
	Probability of a single event	<u>59</u>					
	Probability scale	<u>14</u>					
	Understand sum of probabilities add to 1	<u>60</u>
